

Zumo Terms and Conditions (“Terms”)

INTRODUCTION

Who we are

Zumo Financial Services Limited (trading as "Zumo") is a private limited company registered in Scotland with registration number SC583644 ("Zumo"/"we"/"us") and has developed an app called 'Zumo' (the "App") which facilitates the holding of certain cryptocurrencies ("Virtual Currency") in a custodian digital wallet (the "Custodian Wallet") and/or a non-custodian digital wallet (the "Non-Custodian Wallet") (together the "Wallets").

Products within our App not provided by us

When using the App you may be eligible for a GBP account (which is an e-money account) (a "e-Money Account"). These products are provided by Modulr FS Ltd or Modulr Finance Ltd acting as agent for Modulr FS Ltd ("Modulr").

If you use these products you will enter into a separate contract with Modulr that governs your use of such products. Please see the Modulr Introduced Client Terms of Business below. You should read these terms carefully as they explain the terms and conditions that apply to your use of your e-Money Account and any transactions that you instruct.

Regulatory information and warning

Before downloading the App and creating an account you should read these Terms carefully. The services that Zumo provides through the App are not regulated by the Financial Conduct Authority.

Cryptocurrencies are not regulated by the Financial Conduct Authority (FCA) or any other regulator in the UK. This means any Virtual Currency you hold in your Wallets is not regulated. This also means the Financial Ombudsman Service and the Financial Services Compensation Scheme do not apply.

The e-Money Account is provided by Modulr and is regulated by the FCA. Any Virtual Currency that you hold in your Wallets is in a separate, unregulated wallet and it is not e-money.

Cryptocurrencies are speculative instruments and involve a substantial degree of personal risk for those who hold them. The value of a cryptocurrency can quickly increase or decrease at any time, and it may even fall to zero. This means there is the risk of complete loss of capital with no legal recourse. There can be no assurance that any cryptocurrency, or other digital asset is or will be viable, liquid, or solvent.

No communication from us in any location or medium is intended to imply that holding cryptocurrency is low-risk or risk-free, and we do not offer nor will we give any advice or recommendation on investments in cryptocurrency or otherwise.

Before buying cryptocurrencies, you should carefully consider your personal situation and the financial risks you are willing to take. You may want to speak to an independent financial adviser.

The FCA has published information for consumers regarding the regulation and risks of cryptocurrencies which you may find helpful. It can be viewed here: www.fca.org.uk/consumers/cryptoassets

Hardware, software or connections required to interact with the network might fail or be subject to malware,

unauthorised access or malicious attacks. Third parties may obtain unauthorised access to the Services.

Transactions conducted using the App are not reversible. Once your Virtual Currency has been sent to another, you may lose your Virtual Currency temporarily or indefinitely. Virtual Currency sent to a mistaken address are not recoverable.

The products that Modulr provide are regulated by the Financial Conduct Authority. More information is set out in the Modulr Introduced Client Terms of Business.

Who you are

You are an individual who downloads the App ("**User**"/"**you**").

Privacy

Our privacy notice explains how your personal data is used. You can read our privacy notice here:

<http://zumo.money/privacy>

About these Terms

These Terms set out the terms and conditions of services we provide to Users via the App (the "**Services**"). When you conduct transactions using the App a fee may be payable. The fees are described below and may be reviewed by us from time to time.

By downloading and using the App you are entering into a legally binding agreement (the "**Agreement**") with us based on these Terms.

You should read these Terms, together with our privacy notice, carefully before you download the App and use the Services.

If you do not agree to these Terms, then you must not download and use the App and must refrain from using the Services.

How to contact us

We strive to improve our Services. If you have any feedback regarding improvements to our App, or complaints, we would like to hear from you.

Cryptocurrencies are not regulated by the FCA and therefore the Ombudsman cannot be referred to in the event of any complaint.

If you need to contact us, you can do so in either of the following ways:

- a. *Email:* support@zumo.money; or
- b. *Write to us at:* RTW Studios, 40 Constitution Street, Edinburgh, EH6 6RS.

We will communicate with you in English via the App, or through your email, phone or home address (if you provide these details). You should let us know if any of your contact details change.

If you provide any feedback to us in relation to the App or Services, you grant to Zumo a perpetual, non-revocable, fee-free, royalty-free worldwide licence to use and/or incorporate your feedback into any Zumo product or service (including the App and Services) at any time.

Zumo will not make your feedback publicly available in a way that is obviously attributable to you without your consent.

Changes to these terms

We reserve the right to amend these Terms from time to time for any reason, and shall send you a copy of the new terms or inform you of the change. Your continued use of the Services shall be deemed to be acceptance of any new terms. If you don't agree to these changes, you can let us know and we'll close your Account.

These Terms and any updated version of them will always be available in the App and/or on our website at <https://zumo.money>

If you are:

- a. uncertain about the risks of using cryptocurrencies and engaging in transactions with cryptocurrencies; or
- b. unsure about how the App or the Services work, then you should not download the App or use the Services.

SETTING UP YOUR WALLETS

Who can use the App?

The App is currently only available to individuals using a compatible device. Zumo offers the App in certain countries and operates a list of prohibited countries within which it is not available. The countries in which Zumo offers the app and prohibited countries may change from time to time. If the App is not available in the app store of the country you are a resident of, or your country of residence does not appear in our country list on signup, you must not attempt to use the App or Services or create the Wallets.

Creating your Wallets

The Services may only be accessed by Users who have completed the process of setting up an account (an "Account") through the App.

In order to create your Wallets, we need to carry out certain checks to verify your identity and confirm that you satisfy our criteria to use the Services. We do this using third-party providers.

To qualify to use the Services you must meet the following criteria:

- a. You are over 18; are a resident of a country that Zumo is available in; and have full authority to enter into this Agreement;
- b. You have satisfactorily completed any customer identification and verification;
- c. You are not currently restricted from using the Services; and
- d. You own all of the cryptocurrency you exchange/transfer as part of the Services.

You confirm that any information you provide when setting up your account is true and accurate.

We may vary the criteria to use our Services from time to time and you acknowledge that creation of an Account is at our discretion.

Zumo offers two types of cryptocurrency wallet: a Custodian Wallet and a Non-Custodian Wallet.

Custodian Wallet

The Custodian Wallet is available to UK residents only. Where you are eligible to, and create, a Custodian Wallet, you will not be provided with a 'seed phrase' (also referred to as a 'backup phrase' or 'private key'). Instead, this will be retained by us and we will securely store your Virtual Currency.

All Virtual Currency held in your Custodian Wallet is held by us for your benefit on a custodian basis. Among other things, this means:

- a. You control the Virtual Currency held in your Custodian Wallet. At any time, subject to availability of the App, downtime or outages or our services or any third party and our applicable policies, you may withdraw your Virtual Currency by sending it to your non-custodial wallet (if you created one).
- b. Title to the Virtual Currency shall at all times remain with you. You shall bear all risk of loss of such Virtual Currency. We shall not have any liability for fluctuations in the value of Virtual Currency held in your Custodian Wallet.
- c. None of the Virtual Currency in your Custodian Wallet is the property of, or shall or may be transferred or loaned to, us. Except as required by a court order, or except as provided in these Terms, we will not sell, transfer, loan, hypothecate, or otherwise alienate Virtual Currency in your Custodian Wallet unless instructed by you or compelled by a court of competent jurisdiction to do so.
- d. In order to more securely hold customer Virtual Currency, we may use shared blockchain addresses, which are controlled by us or another company in our group (the "Group"), to hold Virtual Currency held on behalf of users and/or held on behalf of us or the Group. Where this occurs, Users' Virtual Currency will be segregated from ours or the Group's own Virtual Currency by way of separate ledger accounting entries for Users and ours or the Group's accounts. Notwithstanding the foregoing, we shall not have any obligation to use different blockchain addresses to store Virtual Currency owned by you and Virtual Currency owned by other Users or by us or the Group.

We are under no obligation to issue any replacement Virtual Currency in the event that any Virtual Currency, seed phrase, private key or password is lost, stolen, malfunctioning, destroyed or otherwise inaccessible.

You acknowledge that the provision of custodian wallets for Virtual Currency is not regulated in the UK. In the event of our insolvency, you may be unable to recover your Virtual Currency.

Non-Custodian Wallet

If you are eligible for a Non-Custodian Wallet, then you will be given the option to create the Non-Custodian Wallet.

When you do so, you will be provided with a seed phrase for it. Your seed phrase is the only way to access the Virtual Currency stored in your Non-Custodian Wallet. This seed phrase is provided only to you and you acknowledge that we do not store or hold it or the Virtual Currency in your Non-Custodian Wallet.

Supported Virtual Currency

Our Services are only in relation to the Virtual Currency we support, which may change from time to time. If you have any questions about which Virtual Currency we currently support, please email support@zumo.money. We do not support other protocols or functionality which supplement or interact with Virtual Currency.

Under no circumstances should you attempt to use our Services to store, send, request, or receive Virtual Currency or cryptocurrencies, protocols or functionality in any form that we do not support. We assume no responsibility or liability in connection with any attempt to use our Services that we do not support. Our Services are not configured to detect, secure or process these transactions or functionality. Any attempted transactions may result in loss of the item.

We may at our sole discretion terminate support for any Virtual Currency. We will tell you at least 10 days before such change comes into effect (unless a shorter period is required by applicable law or a regulatory authority). If you do not sell or send off platform any such Virtual Currency in your Custodian Wallet during this time, we reserve the right to withdraw it from your Custodian Wallet and replace it at the market value with a supported Virtual Currency or fiat currency (where the denomination and decision will be at our sole discretion).

Virtual Currency protocols

We do not own or control the underlying software protocols which govern the operation of the Virtual Currency we support.

We assume no responsibility for the operation of the underlying protocols of any Virtual Currency you store in your Wallets and you acknowledge and accept the risk that they may change. In particular, the underlying protocols are likely to be subject to sudden changes in operating rules (including “forks”). Any such material operating changes may materially affect the availability, value, functionality, and/or the name of the Virtual Currency you store in your Wallets. You acknowledge the risks presented by changes to the protocols and hereby accept that we have no responsibility for any losses or damage arising as a result of them.

We do not control the timing and features of these operating changes. It is your responsibility to make yourself aware of upcoming operating changes and you must carefully consider publicly available information and information that may be provided by us in determining what action to take. In the event of any such operational change, we reserve the right to take such steps as may be necessary to protect the security and safety of Virtual Currency held on our platform, including temporarily suspending our Services for the involved Virtual Currency(ies), and other necessary steps. We will use our reasonable efforts to provide you notice of our response to any material operating change that affects our Services towards the involved Virtual Currency(ies), but such operating changes are outside of our control and may occur without notice to us.

Our response to any operating change is subject to our sole discretion and includes deciding not to support any new cryptocurrency, fork, airdrop (or similar distribution), or other actions. Any support we do decide to offer remains in all instances subject to these Terms.

Seed phrase and security

When you set up a Non-Custodian Wallet on the App, you will be provided with the seed phrase for it. It is **very important** that you keep this safe and secure and do not disclose it to anyone. Unlike passwords for other applications, **we do not store or hold your seed phrase and are unable to reset the seed phrase** if you forget or lose it. Losing or forgetting your seed phrase can have serious consequences, as we will not be able to restore access to your Non-Custodian Wallet or the Virtual Currency held within it.

It is your responsibility to ensure that you use strong security credentials, that you keep the device through which you access the App safe and secure, you close the App when you are not using it and keep your email account secure at all times. We are not responsible for losses incurred as a result of unauthorised access of your email account or App.

In order to make transfers to and from other Users or convert your Virtual Currency, you may need to exchange **public** keys as part of the Services. We do not ask for any **private** keys, and you should **never exchange** any **private** keys or **seed or backup phrase**. We shall have no liability to you for you making available any **private** key, **seed or backup phrase** or other security information on the App or otherwise.

If a private key is released onto the App or elsewhere by you, it is your responsibility to take all necessary

action to protect your Account, and any other private keys.

Keeping your Account and Wallets secure

You shall keep your security credentials, seed phrase and private key for your Wallets and Account secure and **never permit others to use your Account**.

You are responsible for anything that happens through your Account until it is terminated or suspended. If you discover any unauthorised use of your Account you must let us know as soon as you become aware.

We have the right to disable any security credentials, whether chosen by you or allocated by us, at any time, if in our opinion you have failed to comply with any of the provisions of these Terms.

USING THE APP

Introduction

The App consists of the Wallets. Some features may not be available to all users. Subject to eligibility, you can use the App to:

- a. Hold and view the balance of your Virtual Currency in your Wallets;
- b. Instruct the transfer of Virtual Currency between your Wallets;
- c. Instruct the transfer of Virtual Currency from your Custodian Wallet to another User's Custodian Wallet;
- d. Accept the transfer of Virtual Currency into your Custodian Wallet from another User's Custodian Wallet;
- e. Request a transfer of Virtual Currency to your Custodian Wallet from another User's Custodian Wallet;
- f. Instruct the transfer of Virtual Currency from your Non-Custodian Wallet to another wallet held outwith the App;
- g. Accept the transfer of Virtual Currency into your Non-Custodian Wallet from another wallet held outwith the App;
- h. Instruct the exchange (or conversion) of your Virtual Currency in your Custodian Wallet from one cryptocurrency to another;
- i. Instruct the exchange or conversion of your Virtual Currency in your Custodian Wallet into and from pounds sterling (GBP) if you hold an e-Money Account; and
- j. Check the fluctuating value of your Virtual Currency in your Wallets.

Your rights

On the condition that you comply with your obligations under this Agreement, we grant you a limited, non-exclusive, non-transferable licence to access the App and Services and use them in accordance with the Agreement.

Fees and Payment

The following fees (referred to as “Fees”) will apply when using the App and Services:

- a. **App:** we currently charge no fee for downloading or using the App or for the provision of the Wallets;
- b. **A transaction fee:** when instructing a transfer of Virtual Currency between your Wallets, or a transfer of Virtual Currency from your Non-Custodian Wallet to another wallet held outwith the App, a default fee will be payable to a third party miner who will process the transaction. You will be able to select the speed at which you would like the transfer to be executed, and the speed will determine the Fee which may be payable. A default fee is automatically set and will apply unless you decide to change the speed of execution in which case the fee for that execution speed will apply. Typically, the faster the execution speed, the greater the Fee. A default speed may be set in the App. The Fee is not payable to Zumo but to a miner who executes the transaction on the relevant network. If a Fee on your transaction is payable, we will tell you what it is and it will be automatically deducted when the transfer is executed;
- c. **An exchange fee:** When making an Exchange Transaction (defined in the section below called Exchange) you will be charged a 0.5% commission fee that is payable to Zumo. The exchange fee may change from time to time and we will inform you of any such change.

Any of these Fees may be amended and we may introduce new fees from time to time. We shall inform you of any changes to the Fees. If you do not agree to our change in Fees, you must discontinue your use of the App and the Services.

Limits and Restrictions

The limits and restrictions that apply to your Account are set out in our fee information page <https://app.zumo.tech/zumo-fees-tarrifs.php>. These limits and restrictions may change over time. You can check the current limits and restrictions at any time by accessing our information page.

Where you have an e-Money Account and you are making a fiat transfer to add funds to it, you shall only make such a transfer from an account where you are the registered beneficial owner. At any one time you shall only have one such account from which you can make such transfers (your “**Linked Account**”).

We do not accept or support any such transfers made by third parties and any such attempted transfer will be rejected. If you are the registered beneficial owner of your Linked Account and the Account you have with us, but the registered account names are inconsistent for whatever reason, we may require you to provide additional proof of ownership of your Linked Account

Account Balance

If there is a negative balance in your e-Money Account, we will receive a daily alert from Modulr FS. On receipt, we shall inform you of such negative balance and request that funds are added to your e-Money Account to cover the negative balance.

Instructing a transfer

You can use our Services to instruct the following Virtual Currency transfers:

- a. A transfer of Virtual Currency between your Wallets. This shall be subject to the transaction fee applicable at that time.
- b. A transfer of Virtual Currency from your Custodian Wallet to another User’s wallet Custodian Wallet. To instruct such a transfer, you will need to know their wallet address (public key) or Zumo username. You can find details for other Users within the App by searching for their Zumo ID (username) in the relevant page in the App. There are no fees for this transaction.

- c. A transfer of Virtual Currency from your Non-Custodian Wallet to a wallet outwith the App. To instruct such a transfer, you will need to know the address of the receiving wallet. This shall be subject to the transaction fee applicable at that time.

We process all transfers according to the instructions received from you. We do not guarantee the identity of any recipient.

You acknowledge that you are responsible for ensuring the accuracy of the address, its compatibility with the transfer you are instructing, and any other information submitted as part of your instruction. Once a transfer has been instructed by you, it cannot be reversed, cancelled or refunded. If you instruct a transfer in error, or to the wrong User or address, or to an incompatible address, we cannot retrieve your Virtual Currency and it may be irreversibly lost.

If you do not accept the Fees then you should not instruct the transfer.

Exchange

We provide a conversion service as part of the Services. You can:

- a. Use your Custodian Wallet to exchange one cryptocurrency for another;
- b. Use your Custodian Wallet to exchange cryptocurrency into and from GBP if you hold an e-Money Account with Modulr (each an "**Exchange Transaction**").

An Exchange Transaction shall be subject to the exchange fee applicable at that time.

If you do not accept the Fees then you should not instruct the Exchange Transaction.

You may not cancel, reverse or change any Exchange Transaction. We may suspend, delay, redirect or cancel any Exchange Transaction at any time and for any reason.

We have the right to limit or suspend your Exchange Transaction at our sole discretion.

You are responsible for verifying all information presented to you independently before acting on it, and any actions taken, or decisions made by you is at your sole responsibility.

Events beyond your or our control

If by reason in whole or in part of any Force Majeure Event, either you or Zumo is delayed or prevented from complying with this Agreement, then such delay or non-compliance shall not be deemed to be a breach of this User Agreement and no loss or damage shall be claimed by you or Zumo by reason of that Force Majeure Event.

“**Force Majeure Event**” means any event beyond the party’s reasonable control, including, but not limited to: flood, extraordinary weather conditions, earthquake, or other act of God, pandemics and epidemics, fire, war, insurrection, riot, labour dispute, accident, action of government, communications, power failure,

Your responsibility for taxes and other duties

It is your responsibility to determine what, if any, taxes apply due to your use of the Services, and it is your responsibility to report and remit the correct tax to the appropriate tax authority.

We are not responsible for determining whether taxes apply to your Virtual Currency transactions or for collecting, reporting, withholding or remitting any taxes arising from any Virtual Currency transactions.

OTHER IMPORTANT TERMS

We may transfer this Agreement to someone else

We may transfer our rights and obligations under these Terms to another organisation. We will always tell you in writing if this happens. If you are unhappy with the transfer you may contact us to end your Agreement.

You need our consent to transfer this Agreement to someone else

You are not entitled to transfer or assign your rights and obligations under the Agreement to anyone else without our prior written advance permission.

Nobody else has any rights under this contract

Each of the paragraphs of these terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

Even if we delay in enforcing this contract, we can still enforce it later

If we do not insist immediately that you do anything you are required to do under these Terms, or if we delay in taking steps against you in respect of your breaking the Agreement, that will not mean that you do not have to do those things. Your Cards may also have certain Card Transaction types disabled, such as cash withdrawals at an ATM.

2.2 The limits and restrictions that apply to your Account and Card will be communicated to you during the Account set-up process and/or before the Card is issued to you (as applicable). These limits may also change over time based on your Account and/or Card usage; any such change will be communicated to you. You can check the limits at any time by contacting Customer Services. You should not make a payment Transaction request which exceeds such.

2.3 From time to time a Card Transaction may be authorised which exceeds the limit or restriction applicable to your Account or Card, for example when it is used in an offline environment for example but not limited to payments for or on transport (purchases on a train, aeroplane, underground or toll payments). In such circumstance, a negative balance on your Account may occur. In this case the process in paragraphs 5.14 to 5.16 inclusive will apply.

2.4 Certain Merchants may require verification that the funds held on your Account will cover the Card Transaction amount and will place a “pre-authorisation” on your Card. This amount will be unavailable to you until the Card Transaction is completed or released by the Merchant. The pre-authorisation allows the Merchant up to 30 days to claim and settle any funds owed to them from the Card. Examples include but are not limited to hotels and rental cars. If there are insufficient funds available on your Account, Modulr must still make this settlement, which may result in a negative balance on your Account. In this case the process in paragraphs 5.14 to 5.16 inclusive will apply.

2.5 To manage our risk, particularly with respect to money laundering, fraud or security concerns, we also apply internal controls, including limits, to certain types of payment. We change these as necessary but for security purposes, we do not disclose them.

3.2 The types of Transactions enabled for your Account will be explained to you by the Partner Platform, or as subsequently enabled by us. The terms of these Modulr Account Terms and Conditions applicable to specific Transactions or payment types (for example, Cards) apply only to the extent that such Transactions or payment types are enabled for your Account.

5.3.3 the sender has provided incorrect/invalid Account Details for your Account; or

5.3.4 we suspect the payment to be fraudulent.

5.4 If we are unable to credit your Account for any of the reasons in paragraph 5.3 then the funds may be sent back to the sender without a prior notification to you.

5.5 Your Account can make payments out to external bank accounts via Faster Payments, SEPA Transfer, SWIFT Payments (if selected as a Modulr Product) and other methods as added and notified to you by the Partner Platform from time to time.

5.6 Your Account will be configured and operated by the Partner Platform. You agree that Modulr and we may take instructions from the Partner Platform regarding the operation of your Account, including the creation of beneficiaries and instruction of payments, on your behalf. We and Modulr have no liability for actions taken by the Partner Platform. If you disagree with any actions taken by the Partner Platform these should be discussed with the Partner Platform. We are also authorised to take instructions from any other Account Manager (where different from Partner Platform) and, with respect to Physical Card Transactions, from the Cardholder. You are responsible for all actions of the Account Manager and any Cardholder in relation to the Account and/or Card(s).

5.7 Where Cards are made available to you, your Account can be used to fund Card Transactions. You or your Account Manager or Partner Platform can request a Virtual Card or a Physical Card to be issued to you via the Online Portal or Modulr API.

5.8 Where a Virtual Card or Physical Card is issued to you, you may be able to register and/or store the details of the Card within third party apps and/or devices and to use those third party apps/devices to initiate payments with your Card. When you first register your Card within a third party app/device we support, you may be required to verify that it is you requesting the registration of the Card. If you do not do this, you may not be able to register and use your Card through the third party app/device.

5.9 The value of any Card Transaction, together with any applicable fees and charges, will be deducted from your Account once we receive the authorisation request from the Merchant.

5.10 If the Card Transaction is made in a currency other than the currency the Card is denominated in, the Card Transaction will be converted to the currency of the Card by the relevant Card Scheme at a rate set by it on the day we receive details of the Card Transaction. The exchange rate varies throughout the day and is not set by us. You can check the relevant Card Scheme rate as follows.

Mastercard Card Scheme rate at: <https://www.mastercard.co.uk/en-gb/consumers/get-support/convert-currency.html>;

VISA Card Scheme rate at: <https://www.visa.co.uk/support/consumer/travel-support/exchange-rate-calculator.html>.

5.11 A Transaction is deemed to be authorised by you:

5.11.1 when you or your Account Manager or Partner Platform enters the security information on the Modulr Online Portal to confirm a Transaction is authorised, or when it is instructed via the Modulr API with the relevant security credentials;

5.11.2 when you or your Account Manager or Partner Platform submits a request for a creation of a Virtual Card via the Online Portal or Modulr API, you shall be deemed to have authorised any subsequent Virtual Card Transaction made using such Virtual Card up to the authorisation value specified when creating the request for creation of the Virtual Card;

5.11.3 when you or the Cardholder (i) enter a PIN or provide any other security credentials; (ii) sign a sales voucher; (iii) provide the Physical Card details and/or provide any other details as requested; (iv) wave/swipe the Physical Card over a card reader; or (v) insert the Physical Card into a card device or an ATM;

5.11.4 when you give instructions through a third party (such as the recipient of a Direct Debit Mandate or a Payment Initiation Service Provider).

Once the Transaction is confirmed, we cannot revoke the Transaction save for in those circumstances set out in paragraph 5.10 below.

5.12 You can cancel any Transaction which is agreed to take place on a date later than the date you authorised it, provided that you give us notice to cancel no later than close of business on the Business Day before the Transaction was due to take place;

5.13 Cancelling a Direct Debit Mandate with us will not cancel the agreement with the organisation you are paying. It is your responsibility to tell the organisation collecting the payment about the changes to your instructions.

5.14 If for any reason whatsoever, a negative balance arises because a Transaction is completed when there are not enough funds on your Account for that Transaction, you shall reimburse the negative balance amount immediately, unless circumstances described in sections 5.15 and 5.16 apply. You agree that once we make this negative balance known to you, we will charge you the amount of negative balance and you must repay it immediately. We may charge the amount of the negative balance against any funds on your Account, including any subsequently loaded funds. Until we are reimbursed this negative balance amount, we may arrange for your Account, including Card(s) to be suspended. We may also report the negative balance to credit reference agencies.

5.15 Where a negative balance arises because of an error on the part of a Merchant where the Card Transaction occurred, we will seek to recover the negative balance amount from the Merchant.

5.16 Where a negative balance arises because of an error on the part of the recipient of the payment or us, we will seek to recover the negative balance amount from the person who made the error.

5.17 The Available Balance on your Account will not earn any interest.

5.18 You can check the balance and Transaction history of your Account at any time via the interface provided to you by the Partner Platform or by contacting Customer Services, or the Online Portal if you have relevant access details.

5.19 You will be provided with a monthly statement free of charge setting out information relating to individual payment Transactions by the Partner Platform or us (using the details we have associated with your Account).

6. THIRD PARTY ACCESS

6.1 You can instruct a TPP to access information on your Account or initiate certain Transactions from your Account provided such TPP has identified itself to us and it has acted in accordance with the relevant regulatory requirements. We will treat any instruction from an TPP as if it was from you or an Account Manager.

6.2 We may deny a TPP access to your Account if we are concerned about unauthorised or fraudulent access by that TPP, setting out the reason for such denial. Before doing so, we will tell you that we intend to deny access and give our reasons for doing so, unless it is not reasonably practicable, in which case we will immediately inform you afterwards. In either case, we will tell you in the manner in which we consider most appropriate in the circumstances. We will not tell you if doing so would compromise our security measures or would otherwise be unlawful.

6.3 If you have provided consent to a TPP to access the data in your Account to enable them to provide account information services to you or initiate Transactions on your behalf, you consent to us sharing your information with the TPP as is reasonably required for them to provide their services to you. You must let us know if you withdraw this permission and we recommend you let the TPP know. On notification from you, we will not provide such TPP access to your Account or the data in it.

7. CLOSING YOUR ACCOUNT

7.1 You may close your Account by contacting Customer Services. Please refer to your contract with the Partner Platform for any terms relating to your need to maintain your Account.

7.2 The Account will be closed if the Partner Platform instructs us to close your Account (in which case the Partner Platform will inform you of this instruction).

7.3 On termination of the Agreement for any reason, these Terms and Conditions will automatically terminate, and your Account will be closed and any Cards issued to you will be cancelled.

7.4 Any Available Balance remaining on the Account after Account closure will be transferred to your nominated bank account via Faster Payments or SEPA Transfer (as relevant) based on instructions to us from the Partner Platform. If for any reason this is not possible, such Available Balance will remain yours for a period of six years from the date of Account closure. Within this period, you may at any time request a refund by contacting Customer Services. You will not have any access to your Account and we will not return any funds remaining on the Account after six years from the date of Account closure and this Agreement will terminate.

8. YOUR LIABILITY AND AUTHORISATIONS

8.1 You are responsible for understanding and complying with the Agreement including these Terms and Conditions.

8.2 We may at any time suspend, restrict or refuse to authorise any use of your Account and/or Cards (including cancelling Card(s)) or refuse to process your instructions or authorise any particular Transaction where:

8.2.1 we are concerned about the security of or access to your Account and/or your Card;

8.2.5 you, the Account Manager or the Cardholder breach an important part of these Terms and Conditions, or repeatedly breach any term in this Agreement and fail to resolve the matter in a timely manner.

8.3 If we cancel, suspend or restrict your Account and/or Card(s), or otherwise refuse to execute a payment order to or to initiate a Transaction, we will, without undue delay and provided we are legally permitted to do so, notify you or the Partner Platform of the refusal, suspension or cancellation (as applicable). If possible, we will provide the reasons for the refusal to execute the Transaction and/or suspending the use of your Account and/or Card and where those reasons relate to factual matters, the procedure of rectifying any factual errors that led to the refusal.

8.4.1 allow another person to use security information related to the Account, Cards and/or app/device you use to make Transactions

8.4.2 write down password(s) or any security information unless this is done in a way that would make it impossible for anyone else to recognise any of that information, or

8.4.3 disclose passwords or any security information, or otherwise make them available to any other person, whether verbally or by entering them in a way that allows them to be observed by others.

8.5 You must take all reasonable steps to keep your Account and password(s) and any other security-related details safe, including the security-related details relating to any app and/or devices you have registered or stored your Card on, at all times. If you visit a website or receive a message that asks for your password, other than the Modulr website, this should be reported to us. If you are in doubt whether a website is genuine, you should contact Customer Services. If you have any indication that your Account, password or other security information has been compromised, you must immediately change your password and notify us as soon as possible.

8.6 You will be liable for all Transactions that take place as a result of you, the Account Manager or the Cardholder acting fraudulently or failing to comply with these Terms and Conditions with intent or gross negligence. Any such Transactions and any fees and charges relating to such Transactions will be deducted from the Available Balance on your Account.

8.7 You will be liable for all Transactions that the Partner Platform, any other Account Manager makes on your behalf or the Cardholder makes as per this Agreement, along with those made by a TPP authorised by you to initiate a Transaction.

8.8 You will be liable for all unauthorised Transactions that arise from the use of lost or stolen Physical Cards, the Account or

Card security information such as but not limited to the Online Portal log in details and API security details, Card number and CVV if you, the Account Manager, or the Cardholder fail to keep the security features of the Account, Cards and/or app/device where your Card is registered/stored safe.

8.9 It is your responsibility to keep us updated of changes to your Information, including e-mail address and mobile numbers. Failure to do so may result in us being unable to contact you regarding your Account or to let you know about changes to these Terms and Conditions.

8.10 If you request to recall a Transaction due to an error or mistake caused other than by Modulr, we reserve the right to charge you (i) a handling fee of £25 per recall and (ii) any fee payable by Modulr to a third-party bank or institution for handling the recall.

8.11 You agree to indemnify and hold harmless, us, Modulr and our distributors, partners, agents, sponsors, and service providers and their group companies from and against the costs of any legal action taken to enforce this Agreement, including these Terms and Conditions and/or any breach of these Terms and Conditions by you.

9. DISPUTES AND INCORRECT TRANSACTIONS

9.1 If you (or an Account Manager or Cardholder) have a reason to believe that (i) a Transaction on your Account was unauthorised or was made incorrectly, (ii) a Physical Card is lost or stolen; or (iii) someone else (other than TPP) knows the security credentials or otherwise has unauthorised access to your Account and/or Card, you must inform us immediately by contacting Customer Services. After you notify us, we will replace a lost, stolen or misappropriated Physical Card and/or security credentials, as appropriate.

9.2 We will investigate your claim for a refund of unauthorised or incorrectly executed Transactions, provided at all times that you have notified us without undue delay of becoming aware of such incorrectly executed or unauthorised Transaction and in any case within the timeframes required by the Card Scheme rules if the incorrect Transaction relates to a Card Transaction and for all other Transactions within 13 months of the date of the relevant Transaction. We will not be liable for any unauthorised or incorrectly executed Transactions notified to us after this period.

9.3 If you dispute a Transaction:

9.3.1 subject to 9.3.2 and 9.3.3 we will immediately refund the amount to your Account to the position it would have been in if the unauthorised Transaction had not taken place. We will have no further liability to you. If we subsequently discover that you were not entitled to a refund, we shall treat the refund as a mistake and be entitled to reapply the Transaction.

9.3.2 if there are reasonable grounds for thinking that you may not be entitled to a refund (based on the evidence available to us at the time you report the unauthorised Transaction), we may investigate before giving you a refund and we will provide you with our supporting evidence if we believe you are not entitled to the refund;

9.3.3 if the Transaction was initiated through a TPP, it is for the TPP to prove that, the Transaction was authenticated, accurately recorded and not affected by a technical breakdown or other deficiency linked to the TPP's payment initiation service; and

9.3.4 if we make an error on a Transaction made to someone else through the Direct Debit scheme, we will refund you in accordance with the Direct Debit Guarantee.

9.4 If an incorrect Transaction is paid into your Account that should not have, we will, where possible, immediately send the funds back to the bank acting for the person from whose account the Transaction was made. In such circumstance you agree to return the funds to us and provide such assistance that we require in recovering the amount from you. If we cannot recover the funds, we are required to provide sufficient details about you and the incorrect payment to the bank or institution that sent the payment to enable them to recover the funds.

9.5 You will be liable for all Transactions made from your Account if you (or the Account Manager or the Cardholder) have acted fraudulently or have failed with gross negligence:

9.5.1 to keep the security credentials used to access or use your Account and/or Card safe and secure or otherwise failed to comply with these Terms and Conditions in relation to the safety of your Account and/or Card; or

9.6.3 you asked for a refund within 8 weeks of the date the Transaction was debited to your Account.

In such circumstances we will refund you within 10 Business Days of receiving your claim for a refund or, where applicable, within 10 Business Days of receiving any further information we requested - or we will provide you with reasons for refusing the refund.

9.7 If you want a refund for a Transaction made using the Direct Debit scheme, the Direct Debit Guarantee will apply instead of the terms in 9.6 above.

10.3 If any part of these Terms and Conditions are inconsistent with any legal requirements then we will not rely on that part but treat it as if it did actually reflect the relevant legal requirement. If we need to make operational changes before we can fully comply with the new regulatory requirement, we will make those changes as soon as reasonably practical.

11.2.4 you or the Account Manager have breached these Terms and Conditions; or

11.2.5 we are required to do so under any applicable law or regulation or at the direction of any regulatory, law enforcement or other competent authority.

About your contract with Modulr

The purpose of this pamphlet is to highlight the key points which are included within your contract with Modulr (the Modulr Contract). We know that agreements relating to financial services can be complicated so have put together this reference document to help.

The Modulr Contract may refer to some payment methods, for example CHAPs and the use of cards (Payment Methods), which may not apply to you. If that is the case, then the terms and conditions relating to those Payment Methods do not apply to you.

1. Who is Modulr?

Modulr is not a bank, we are an Electronic Money Institution (EMI) which helps businesses receive and make payments more easily. This is achieved by Modulr providing Zumo Financial Services Limited with access to our technology and our connectivity to various payment systems so that Modulr can then provide its electronic accounts and payment services to you.

Modulr carries out several activities which are known as payment services and that means we are required to be authorised by the Financial Conduct Authority (FCA). Modulr's FCA authorisation relating to its electronic money accounts can be found [here](#) under reference number 900573.

Why do I need these services from Modulr?

You are a customer of Zumo Financial Services Limited and as a part of their services you require access to a Modulr electronic money account (Modulr Payment Account) and various Payment Methods, which Zumo Financial Services Limited is not authorised to provide to you directly. Zumo Financial Services Limited works with Modulr to enable you to have access to these regulated services.

A Modulr Payment Account will allow you to:

- Receive payments into this account from an external bank account.
- Make payments from this account to another account (whether held or not held by Modulr).
- Check the balance and transaction history on the account (when this functionality is enabled on your account)

Payments will be made using the Payment Methods provided by Modulr (or the external third-party bank).

2. Opening your Modulr Payment Account

What do I need to do to open a Modulr Payment Account?

1. Agree to the Modulr Contract. This confirms that you accept the terms and conditions relating to Modulr providing its regulated services to you. By agreeing to these terms, you also agree to Modulr requesting identification documents from you to check your identity. This is something which Modulr is required to do to provide its regulated services to you.
2. Once you have signed the Modulr Contract, and Modulr has confirmed to Zumo Financial Services Limited that you have passed Modulr's identity checks, Zumo Financial Services Limited will open a Modulr Payment Account on your behalf. This is also the time when your Modulr Contract will start. The Modulr Contract will continue until you, Modulr, or Zumo Financial Services Limited asks for the contract to end.
3. Once your Modulr Payment Account is open, you will need to follow the requirements of your Modulr Contract. For example, we ask you to keep your security details safe and not engage in fraudulent activity.

To provide our regulated services to you, Modulr will be required to collect and store your personal information. Sometimes we may need to share this information with others so that we can meet our own legal requirements. Further information on the type of information Modulr collects, why this information is collected and what this information is used for can be found on our [privacy policy](#).

If you have consented to another provider (such as an Account Information Service Provider, called a Third-Party Payment Service Provider (TPP)) to have access to data relating to your Modulr Payment Account to enable the TPP to provide services to you, then you consent to Modulr providing the TPP with the data that it needs to provide its services to you. If you no longer consent to Modulr providing data to a TPP, you must let us know as soon as possible.

Do I need to pay Modulr for my Modulr Payment Account?

You don't need to pay any fees to Modulr. Fees may need to be paid to Zumo Financial Services Limited, as a part of the services which they provide to you.

How long will I have my Modulr Payment Account for?

You will have a Modulr Payment Account for as long as you remain a customer of Zumo Financial Services Limited, and you continue to follow the requirements of the Modulr Contract. Of course, if you no longer want to use your Modulr Payment Account, you can close it any time by contacting Zumo Financial Services Limited.

What if Modulr transfers its rights under the Modulr Contract to another provider?

We may transfer some or all of our rights and duties under your Modulr Contract to another service provider in the future, and if we do this, your Modulr Contract will continue with that service provider.

3. Making/receiving payments to my Modulr Payment Account

How long will it take for me to make/receive a payment to my Modulr Payment Account?

Once Modulr receives an instruction from you or Zumo Financial Services Limited to make a payment from one account to another, we will ensure that the payment transaction is carried out according to the timeframe required by the Payment Method and relevant payment systems. When the payment will be received will depend on the time frame set out by the Payment Method and relevant payment systems.

Can I cancel payments from or to my Modulr Payment Account?

You can cancel any transaction which is agreed to take place on a future date, but you must notify Zumo Financial Services Limited as soon as possible. However, we may not be able to cancel the transaction depending on the type of Payment Method used.

Any there any limits on my Modulr Payment Account?

Depending on the types of Payment Methods used, there may be limits on your Modulr Payment Account. This will be communicated to you by Zumo Financial Services Limited when your Modulr Payment Account is being set up.

Requests for payments into your Modulr Payment Account will not be performed if:

- Your Modulr Payment Account has reached any limits which may be in place.
- Your Modulr Payment Account is blocked or has been closed.
- The person making the payment has provided the incorrect account details for your Modulr Payment Account.
- We suspect that the payment may be fraudulent.

In such circumstances the funds may be sent back to the sender without prior notification to you.

4. Keeping your Modulr Payment Account and your e-money safe

How is Modulr different from a bank?

As Modulr is not a bank, it cannot provide bank accounts. Modulr can't lend money or use money which it holds for the purposes of lending that money to others. Instead, Modulr provides payment accounts. Zumo Financial Services Limited will provide you with access to our technology, including our connectivity to various Payment Methods so that Modulr can then provide its electronic accounts and payment services to you.

As the Modulr Payment Account is not a bank account:

- Funds in the account will not earn any interest.
- Funds in the account will not be protected by the Financial Services Compensation Scheme (FSCS), as the FSCS applies only to banks.

So, how does Modulr protect my money?

Modulr, as an EMI, is required by law to ensure that your money is protected. This protection is called safeguarding. This means that all the money which you send to your Modulr Payment Account must be protected by Modulr. Modulr does this by opening a separate bank account for its customers with a safeguarding partner in accordance with the relevant law. This bank account will be separate from Modulr's own funds and will have the same amount of money in it which you have put into the Modulr Payment Account. For example, if £1 is sent to your Modulr Payment Account, Modulr will put £1 into a separate bank account with its safeguarding partner.

If Modulr is unable to pay its debts, and is required to close its business:

- an independent insolvency professional will be appointed to return your funds to you; and
- the funds in your Modulr Payment Account will be separate from Modulr's own funds. Therefore, if Modulr owes money to other companies, your funds will not be used to pay this off. However, if Modulr does not have sufficient money to pay for the costs of the insolvency practitioner then their costs may be taken from your funds before your funds are returned to you.

Further information on Modulr's safeguarding practices can be found [here](#).

How do we protect your Modulr Payment Account

Modulr takes the protection of your Modulr Payment Account very seriously. We have secure systems in place to help us do this and we work with Zumo Financial Services Limited ensure that your personal information and any security details (such as passwords) are kept safe. If you have access to your Modulr Payment Account, you must also keep safe any security details provided to you. You can contact Zumo Financial Services Limited if you have any questions on this.

What if I notice a payment to or from my Modulr Payment Account which I don't recognise?

If you notice that a payment is incorrect, please contact Zumo Financial Services Limited. Zumo Financial Services Limited will then contact Modulr on your behalf. Once Modulr has completed its investigation, we may refund or reverse a payment transaction depending on our findings.

You will be responsible for any loss caused to Modulr, including financial losses, when that loss was caused by:

- Fraudulent use of your Modulr Payment Account.
- Irresponsible use of your Modulr Payment Account.

We are not responsible for any losses which are caused by:
